

# Holley Eveld

Civil Engineer

## Profile

A motivated and experienced civil engineer with over 5 years of experience in the field. Proven ability to manage projects from start to finish, while ensuring that all safety regulations are followed. Strong analytical and problem-solving skills, which have been utilized to successfully solve complex engineering problems. Excellent communication skills; able to effectively interface with multiple teams and stakeholders. Experienced in AutoCAD, Microsoft Office Suite, Project Management software such as Primavera P6

## Employment History

### Senior Civil Engineer at AECOM (California)

May 2022 - Present

- Designing and supervising the construction of roads, bridges, railways, airports, harbors, dams, irrigation works, pipelines, power plants and water supplies.
- Coordinating the activities of architects, surveyors, geologists, materials testing technicians and other engineers during a project
- Making sure that a project is completed on time within budget and without compromising safety
- Conducting feasibility studies to find out whether potential sites for development are suitable
- Providing expert testimony in court cases involving property disputes or personal injury claims related to engineering projects

### Lead Civil Engineer at Parsons Corporation (Illinois)

Sep 2018 - Apr 2022

- Planned, designed, and oversaw the construction of a \$20 million highway interchange project.
- Successfully helps to ensure the safety and efficacy of bridges in his/her jurisdiction
- Job satisfaction rating: 92%
- Earn more than \$85,000 per year
- 5topEngineers have a bachelor's degree in engineering

## Certificates

### Foundation Design (FD)

Aug 2020 - Nov 2020

### Pavement design (PD), PDI International

Apr 2019 - Jun 2019

### Construction Materials Testing Technician (CMTT), National Institute for Certification in Engineering Technologies (NICET)

Apr 2018 - Jun 2018

### Soil Mechanics and Foundation Engineering (SMFE), Geo-tech Associates
