PROFILE

I am an Agricultural Teacher with over 5 years of experience. I have a proven track record of teaching and developing students' abilities in the field of agriculture. My lessons are creative, interactive, and engaging, which has resulted in student success both inside and outside the classroom. In addition to my teaching duties, I also serve as the head advisor for our school's Future Farmers of America (FFA) chapter. This role allows me to develop students' leadership skills and provide them with real-world opportunities to apply what they are learning in their coursework

EMPLOYMENT HISTORY

● Agricultural Teacher at Agricultural Teachers Association of Illinois, IL

Jun 2022 - Present

- Developed and implemented award-winning lesson plans in sustainable agriculture for high school students.
- Taught classes with an average of 30 students, receiving positive feedback from parents and administrators.
- Modelled lessons using the latest agricultural technology to increase student engagement.
- Facilitated field trips to local farms so that students could see firsthand how their food is grown.
- Actively sought out opportunities for professional development in order to keep abreast of changes in the field.

● Agricultural Teacher II at , IL

Sep 2017 - May 2022

- Taught high school students the principles of agriculture and its related sciences.
- Developed and taught lesson plans in accordance with state curriculum guidelines.
- Monitored student progress and provided feedback to help them improve their understanding of concepts.
- Led students in hands-on learning experiences, such as field trips and experiments.
- Organized extracurricular activities, such as agricultural competitions and farm visits.
