

Lavon Economides

Airline Pilot

Profile

I have over 6 years of experience as an airline pilot. I have flown for both major airlines and regional airlines. I am currently a captain for a major airline, flying Boeing 737s. I have experience in all phases of flight, from takeoffs and landings to managing the cabin during flights. I am passionate about flying and committed to safety.

Employment History

First Officer at American Airlines - TX

Apr 2022 - Present

- I flew a total of 100,000 hours without an accident.
- I was on the airline's safety committee for 10 years and helped to improve safety procedures.
- I have Martial arts training which has come in handy during unruly passenger incidents 4 times.
- Twice saved fuel by flying at lower altitudes than what is usual for commercial airlines.
- Ft instead of 39,000 ft)
- My vision meets or exceeds the necessary requirements for an Airline Pilot as does my hearing.
