375-794-8183

6950 West Nicolet Avenue, Glendale, AZ 85303

---

As a carpenter, I have gained extensive experience and expertise in crafting and creating high-quality woodworking projects. My attention to detail, combined with my strong technical skillset and ability to read drawings & blueprints, has allowed me to produce superior results for my clients time after time. In addition, I have excellent problem solving skills which comes in handy when unexpected challenges arise on the job site. I am confident that as a carpenter, I can bring an exceptional level of skill and dedication to any project - big or small.

---

### Employment History

---

#### Carpenter at ABC Carpentry - California

Jul, 2017 - Present

- Constructed houses for over 1,200 people.
- Built the first home in just four days using only a hatchet and saw.
- Taught myself how to build by reading books on carpentry and architecture.
- In one year, built 35 buildings including homes, bridges, a church, and even a jailhouse.
- My work has been featured in multiple magazines and film documentaries.
