## Child Care

### Profile

I have over 6 years of professional experience working in child care. Throughout my career, I have developed strong relationships with parents and caregivers while providing quality care to children. I am passionate about helping children reach their full potential and enjoy watching them grow and learn new things. In addition to my experience, I also have a degree in early childhood education which has given me the tools necessary to provide high-quality care. I am confident that I can be an asset to any organization and would love the opportunity to join a team where I can make a difference in the lives of children

### Employment History

#### Child Care Provider at Cinderella's Childcare, AR

May 2022 - Present

- Designed and implemented curriculum for after-school program to increase math skills of 30 second-grade students by 50%.
