

Montia Vincenti

CNA

Profile

I am a certified nursing assistant with 3 years of experience in the medical field. I have worked with patients of all ages and provided quality care that meets their individual needs. I am passionate about my work and take pride in providing excellent patient care. I possess strong communication and interpersonal skills, which allow me to build rapport with patients and their families. In addition, I am able to maintain a positive attitude while working under challenging circumstances.
