

Nemesis Schlaman

CNC Supervisor

Profile

I am a CNC Supervisor with over 5 years of experience. I have successfully supervised the production of various CNC parts and products. I have expert knowledge of CNC machines and their operation. I am able to troubleshoot issues with machines and resolve them in a timely manner. I possess excellent leadership qualities that enable me to effectively manage my team of operators. My goal is always to ensure that production runs smoothly and efficiently while meeting all deadlines

Employment History
