EMPLOYMENT HISTORY

Construction Manager at Kiewit Corporation, AR

May 2022 - Present

- Oversaw the construction of a \$3 million building project from start to finish.
- Completed the project on time and within budget.
- Managed a team of 30+ workers effectively.
- Resolved any construction issues that arose quickly and efficiently.
- Ensured safety standards were met at all times throughout the duration of the project.
- Produced high-quality work that was up to code and exceeded expectations.

Senior Construction Manager at Turner Construction Company, AR

Jul 2016 - Mar 2022

- Led a team of 50 construction workers to successfully complete the building of a 20-story office complex within 14 months, under budget and without any safety incidents.
- Negotiated favorable contracts with 15 different subcontractors to work on the project, saving the company an estimated \$1 million.
- Worked closely with city officials to obtain all necessary permits and approvals for the project in a timely manner.
- Implemented new safety protocols on site that reduced accidents by 30% compared to previous projects undertaken by the company.
- Oversaw day-to-day operations at job sites, ensuring that work was performed safely and up to code.
- Organized daily schedules for crew members based on assigned tasks.
