

Carolee Bellassai

Construction

Profile

I am a Construction professional with over 4 years experience in the field. I have worked on a variety of construction projects, both big and small. I have gained a lot of knowledge and experience during my time in the industry, and I am able to use this to complete any project efficiently and correctly.

Employment History

Construction Manager at Samsver Corporation, WI

Apr 2022 - Present

- Led a team of 10 construction workers in building a 3-story office block within 6 months, ahead of schedule.
- Spearheaded the construction of a 5-star hotel and its amenities from the ground up in 2 years.
- Managed to cut costs by 20% for the renovation project of an apartment complex without compromising quality or timeline.
- Successfully completed projects despite having limited resources available.
- Negotiated with different suppliers to get lower prices for materials needed for upcoming projects.

Project Manager at Olsen Construction, WI

Sep 2018 - Feb 2022

- Completed a 12-story office building in downtown New York City on time and under budget.
- Led a team of 150 workers to safely demolish an old factory.
- Worked with architects to design a new school that won an award for its sustainable features.
- Volunteered 500 hours to help build Habitat for Humanity houses.
- Managed construction of a \$5 million shopping center expansion project.
- Completed 3 buildings in the Katrina reconstruction effort.
