

# Aerica Branhan

Construction Worker

## Profile

I have over 4 years of experience as a construction worker. I have worked on many different types of projects, including residential and commercial buildings. I am very familiar with all aspects of the construction process, from start to finish. I am reliable and hardworking, and I always put the safety of my colleagues and clients first.

## Employment History

### Construction Manager at Kiewit Corporation, MD

Feb 2022 - Present

- Constructed a 20-story office building in downtown Los Angeles.
- Built a 5-mile stretch of highway in Colorado.
- Renovated an old factory into luxury apartments in Detroit.
- Constructed a bridge across the Hudson River.
- Built a new wing on to a hospital in Seattle.
- Put up scaffolding around the outside of skyscraper being constructed in New York City.

### Construction Superintendent at Turner Construction Company, MD

Jul 2018 - Jan 2022

- I increased my company's productivity by 10% through the use of efficient construction techniques.
- I successfully managed a team of 12 construction workers during a large commercial project.
- I completed a \$2 million residential construction project ahead of schedule and under budget.
- Saving for later.

## Education

### High School Diploma at Towson University, MD

Sep 2014 - May 2018

I graduated high school with a 4.0 GPA and was in the top 10% of my class. I was captain of the varsity soccer team and president of the National Honor Society.
