Profile

I have over 5 years of experience as a Drug and Alcohol Counselor. I have worked with clients of all ages, from all walks of life, and with varying levels of addiction. I am passionate about helping my clients overcome their addiction and build a foundation for lasting sobriety. I believe that through education, support, and guidance, anyone can achieve recovery.

In my counseling practice, I utilize evidenced-based approaches such as cognitive behavioral therapy to help my clients make positive changes in their lives. My ultimate goal is to help each client attain sustainable sobriety so that they can live happy & healthy lives free from the chains of addiction
