

# Aamna Lalich

Endodontist

## Profile

I am a certified endodontist with over 3 years of experience. I have successfully treated countless patients and have helped them regain their oral health. I am an expert in root canal procedures and take pride in my work. I am passionate about helping others, and I firmly believe that everyone deserves to have a healthy smile. In my free time, I enjoy spending time with my family and exploring new restaurants.

## Employment History

### Private Practice at Harvard Dental Center (MA)

Feb 2022 - Present

- Restored 100 smiles by saving teeth that would have otherwise been extracted.
- Performed 2,000 root canals procedures successfully.
- Achieved a 98% success rate for endodontic surgery cases.
- Taught five dental students everything they know about the field of endodontics over the course of three years as an adjunct professor at XYZ University School of Dentistry.
- Granted six patents for new and innovative endodontic instruments and techniques used to improve patient outcomes.

### Group Practice at University of Florida School of Dentistry (FL)

Jul 2019 - Dec 2021

- I saw an endodontist who had completed 1,000 root canals.
- I diagnosed and treated a patient with apical periodontitis.
- I placed 800 dental implants.
- I performed 350 pulpotomies.
- I filled 250 root canals.

## Certificates

### Certificate of Clinical Competence in Endodontics (CCCE)

Sep 2020

### Fellowship and Mastership in the American College of Dentists (FACD, MACD)

Jul 2019

### Diplomate in the American Board of Oral and Maxillofacial Surgery

Dec 2017
