

Bernadine Bragin

Finance Director

Profile

A highly competent and experienced finance professional, with over 6 years of working experience in the field of corporate finance and investment banking. I have extensive knowledge and expertise in financial analysis, strategic planning, project management, risk management and capital markets. I am a strong communicator with excellent presentation skills, able to communicate complex financial information clearly and concisely to non-financial audiences. I am a motivated self-starter who is able to work independently as well as part of a team.

Employment History

Financial Director at Amazon, WA

Feb 2022 - Present

- Directed the development and implementation of an innovative financing structure that resulted in \$20 million in new investment.
- Led the successful negotiation of a revolving credit facility with a group of banks, providing \$15 million in additional working capital.
- Spear-headed the turn around of a subsidiary by identifying over \$4.5 million in cost savings through process improvement initiatives.
- Pioneered the creation of multiple cash management models which freed up over \$2M in idle funds and increased interest income by 400%.
- Drove efforts to increase shareholder value by initiating share repurchases totaling \$3.4M.

Deputy Financial Director at Meta, CA

Aug 2016 - Dec 2021

- Reduced spending by 20% without compromising quality or service.
- Reorganized the department to be more efficient and effective.
- Implemented new accounting software which saved 6 hours per week in data entry.
- Negotiated better interest rates on lines of credit, saving \$12,000 annually.
- Successfully lobbied for additional budget allocation from the Board of Directors.
