

Kaeley Pruchnicki

Golf Instructor

Profile

As a golf instructor with over 6 years of experience, I have developed strong teaching techniques that help my students improve their game. I am passionate about the sport of golf and enjoy helping others learn and improve their skills. I am patient and always take the time to ensure that each student understands the concepts being taught. In addition to providing instruction, I also provide feedback on swing mechanics and offer suggestions for improvement. My goal is always to help my students become better players while also enjoying the game more.
