389downtown Dr, Pittsburgh, PA 15222

I am an experienced industrial maintenance technician with over 5 years of experience. I have a strong knowledge of mechanical, electrical and hydraulic systems. I have successfully completed projects such as installation of production line machinery, conveyor belt repairs and replacement, and process improvement initiatives. My interpersonal skills allow me to work well with other departments in order to resolve issues in a timely manner.

Employment History

Maintenance Technician II at J.P. Mascaro & Sons, PA

May 2022 - Present

- Kept machines running at optimal levels by conducting regular maintenance and repairs.
- Coordinated with other departments to ensure timely completion of repairs.
- Led a team of 3 technicians in the absence of the Maintenance Manager.
- Reduced downtime by 35% through proactive maintenance techniques.
- Implemented new inventory management system that saved \$5000 per month.
