Profile

My technical skills and knowledge in financial analysis, corporate finance, and investment banking have been sharpened through my coursework and previous experiences in the industry. With excellent communication skills and the ability to work well under pressure, I am confident that I can excel in this role.

Employment History

Investment Banker at Goldman Sachs New York, NY

May 2022 - Present

- Arranged the financing for a \$100 million real estate development project.
- Negotiated and structured a \$250 million loan for a major corporation.
- Advised on the sale of a company for \$600 million.

Associate Investment Banker at J.P. Morgan Securities LLC New York,

Sep 2019 - Apr 2022

- One of the most successful investment bankers in history, during his time at Goldman Sachs he is credited with helping to bring public companies such as Apple, Microsoft, and General Electric.
 - In 2008, he was one of the key figures in opening up Chinese markets to international pressure after acquiring a 19% stake in China Investment Corporation (CIC). This event has been called "one of the defining moments" for modern finance in China.
-

Education

Bachelor of Science in Business Administration at Duke University, Durham, NC

Aug 2015 - May 2019

Through my Bachelor's degree in Business Administration, I learned teamwork, project management, and leadership skills.
