## PROFILE

I have over 4 years of experience in the nursing field. I have worked in a variety of settings, including hospitals, clinics, and home health care. I am passionate about providing excellent patient care and working collaboratively with other members of the healthcare team to ensure positive patient outcomes. I am able to work independently as well as part of a team. I possess strong time management skills and can handle multiple tasks simultaneously while maintaining a high level of accuracy.

## EMPLOYMENT HISTORY

### ● Staff Nurse at Nurses for Newborns (Missouri)

May 2022 - Present

- Demonstrated excellence in bedside nursing, conducting over 500 patient assessments per month.
- Provided direct care to medical and surgical patients during their hospital stay.
- Acted as a charge nurse on the floor on multiple occasions, leading a team of up to 20 nurses.
- Precepted new graduate nurses and orientees for 4 years.
- Received 100% positive evaluations from all patients surveyed.
- Led education sessions for staff on evidence based practice topics 2-4 times monthly.

### ● Nurse at Children's Home + Aid (Illinois)

Aug 2018 - Mar 2022

- Negotiated lower costs for medical supplies, saving the hospital \$2,000 per year.
- Authored an article on preventative care measures that was published in the nursing journal "Advances in Nursing Practices".
- Lead a team of 5 nurses in teaching proper hand-washing techniques to new employees, resulting in a 20% decrease in employee sick days.
- Promoted to head nurse after just 2 years of employment.
- Trained other nurses on using EMR systems (Electronic Medical Records), leading to a smoother transition and increased satisfaction amongst staff with using the system.
- EMR training saved the hospital 4 hours each day.
