PROFILE

I am a passionate and caring nursing student who has always had a natural interest in helping others. I have put my heart and soul into every clinical rotation, eager to learn as much as possible so that I can one day make a difference in the lives of my patients. My instructors have praised me for my compassionate nature, hard work, and dedication to the field of nursing. In May 2020, I will graduate from XYZ University with my Bachelor's degree in Nursing; ready to begin making a positive impact on those around me.
