Package Handler

## Profile

I am a motivated individual with experience in package handling and warehouse operations. I have worked in various roles including Package Handler and Package Deliver. I thrive in fast-paced environments and enjoy working as part of a team. I am confident in my ability to lift heavy packages, operate machinery, and follow safety procedures.

## Employment History

### Package Handler at UPS - Maryland

May 2022 - Present

- Handled an average of 40 packages per hour during my shift.
- Maintained a low error rate, with less than 1% of packages damaged or misplaced.
- Appraised by supervisors as having above-average work speed and accuracy.
- Frequently received positive feedback from customers regarding package handling.
- Assisted in training new employees on proper package-handling procedures.

### Package Delivery Driver at FedEx - Texas

Jul 2017 - Apr 2022

- Handled an average of 300 packages per day.
- Met or exceeded daily production goals for 6 months in a row.
- Successfully completed package handler training program.
- Demonstrated excellent safety and attendance record.
- Maintained cleanliness throughout the work area.
- Provided assistance to fellow employees when needed.
