

Katera Pompo

Pharmacy Technician

Profile

I am a certified pharmacy technician with 5 years of experience in outpatient and retail pharmacies. I have excellent customer service skills and enjoy working with the public. I am detail oriented and organized, which helps me to be an efficient worker. I am proficient in using computer systems for managing inventory, placing orders, and billing insurance companies.

Employment History

Pharmacy Technician at CVS - Rhode Island

May 2022 - Present

- Empowered patients by providing them with information regarding their medications and health condition.
- Assisted the pharmacist in preparing over 500 prescriptions daily.
- Maintained cleanliness and organization of the pharmacy area.
- Proactively identified opportunities to streamline processes and reduce waste.
- Actively participated in continuing education activities to update knowledge on medication therapies and new drugs.
- Utilized excellent customer service skills to build rapport with patients.

Assistant Pharmacy Technician at Walgreens - Illinois

Sep 2017 - Mar 2022

- Took inventory of medications and supplies in stock.
- Organized the pharmacy according to the layout prescribed by company policy.
- Filled 120 prescriptions in an 8 hour shift.
- Checked for errors in prescriptions.
- Handled customer complaints in a professional manner.
- Referred customers to pharmacist when needed.
