120-710-5996

8554 Twin Gable Drive, Montgomery, AL 36116

As a security and protective services professional, I have experience in law enforcement, private investigation, loss prevention, and corporate security. I am highly adept at handling difficult situations with tact and diplomacy. My skills include excellent communication, observation, and critical thinking. I am also physically fit and able to handle challenging physical tasks. In addition to my security-related skills, I also have training in emergency medical response (EMR)

Employment History

Armed security guard at G4S Secure Solutions: Florida

Mar 2022 - Present

- Designed and implemented Za'atari Refugee Camp security plan, which increased safety for over 85,000 residents.
- Led investigation that resulted in the arrest of a human trafficking ringleader.
- Successfully diffused a hostage situation at a local bank.
- Successfully apprehended an armed robbery suspect.
- Trained new recruits on self-defense tactics.
