

Melida Fickbohm

Substitute Teacher

Profile

I am an experienced substitute teacher who has worked in a variety of school settings. I have a bachelor's degree in education and am certified to teach in my state. I am comfortable working with students of all ages and abilities, and have developed strong classroom management skills over the years. I am flexible and adaptable, able to adjust my teaching methods to meet the needs of each individual student. I believe that every child has the potential to succeed, and it is my goal as a teacher to help them reach their full potential.

Employment History
