

Jodi Parise

Train Operator

Profile

I am a Train Operator with 2 years of experience in the field. I have worked for 2 different companies during my career and have operated various types of trains. I possess a valid train operator's license from the state of California. I am knowledgeable in all aspects of train operation and maintenance, including but not limited to: dispatching, locomotive operations, track inspection/maintenance, signaling systems, and fare collection.

Employment History

Train Operator at Amtrak (Washington)

Apr 2022 - Present

- Operated a train for 8 years with no accidents.
- On-time arrival rate of 97%.
- Logged over 10,000 hours without incident.
- Helped to evacuate passengers during an emergency situation.
- Completed required training and certifications on time.

Associate Train Operator

Jul 2020 - Mar 2022

- Increased ridership by 10% during my tenure.
- Led the team in safety initiatives that reduced accidents by 15%.
- Implemented a new schedule that saved the company \$50,000 per year.
- Trained 5 new operators who are now successful members of the team.
- Developed a rapport with city officials and transit advocates which led to increased political support for our department.
- Consistently operated my train within budget and on time.
