PROFILE

As a professional truck driver, I have hauled loads across the country for over 3 years. I am an expert in long-haul and cross-country driving, and have logged over 1 million miles behind the wheel. My experience has taught me how to plan my time and route effectively, ensuring that my deliveries are made on time, every time. I pride myself on being a safe and reliable driver who always puts safety first. In addition to my clean driving record, I also hold a Class A CDL license with endorsements for Hazmat and Tanker trucks.
