

Dorean Guiel

Volleyball Coach

Profile

I have over 5 years of experience coaching volleyball, and I have loved every minute of it. I am passionate about the game and I truly enjoy working with young athletes to help them improve their skills and reach their potential.

I have a proven track record of success, both as a coach and as a player. As a coach, I have helped my teams win numerous championships at the youth level, while also developing individual players who have gone on to compete at the collegiate level. As a player, I was captain of my high school team which won two state championships in three years.

In addition to my passion for coaching volleyball, I am also very dedicated to helping my athletes succeed in life beyond sports. It is important to me that they not only develop physically and mentally as athletes but also learn important life lessons such as teamwork, discipline, and how to set goals.
