

Isadora Wintrode

Welding Technician

I am a certified welding technician with over three years of experience. I have worked in both commercial and industrial settings, and have gained a wealth of knowledge in all aspects of welding. I am safety-conscious and take pride in my work, ensuring that each weld is done to the highest standard. I am also comfortable working independently or as part of a team. In addition to my welding experience, I also have customer service experience which has taught me how to effectively communicate with people from all walks of life.
