PROFILE

I have over three years' experience working as a Youth Services Specialist. In this role, I work with young people aged 12-24 to help them overcome personal challenges and develop life skills. I am passionate about helping young people reach their potential and making a positive difference in their lives. I have excellent communication and interpersonal skills, which allow me to build strong relationships with the young people I work with. I am also able to effectively manage my time and workload, ensuring that all tasks are completed within deadlines.

EMPLOYMENT HISTORY

● Youth Services Specialist III at Big Brothers Big Sisters of Kentuckiana, KY

Feb 2022 - Present

- Worked with diverse group of youth in various settings.
- Implemented individualized programs to meet the needs of each youth.
- Monitored progress and provided feedback to stakeholders on a regular basis.
- Increased access to services for underserved populations by collaborating with community partners.
- Advocated for at-risk youth through policy initiatives and systemic change efforts.
- Provided direct service to over 500 clients per year.

● Youth Services Specialist II at One World Education, KY

Aug 2019 - Jan 2022

- Chaired the North Carolina State Advisory Council on Juvenile Justice and Delinquency Prevention, facilitating meetings with 28 members representing various state agencies and interest groups.
- Led a statewide initiative to reduce disproportionate minority contact in the juvenile justice system which resulted in reducing arrest of African American juveniles by 20%.
- Testify before Subcommittee on Healthy Families and Communities about reauthorization of the Runaway and Homeless Youth Act (RHYA).
- Successfully advocated for \$4 million dollars in funding for RHYA programs in North Carolina.
- Trained over 500 youth workers across the state on evidence-based practices through webinars, conferences, and trainings.
- Authored or co-authored 6 reports that analyzed data from surveys of over 900 youth ages 14-24 who were experiencing homelessness or housing instability.
